Most Comments

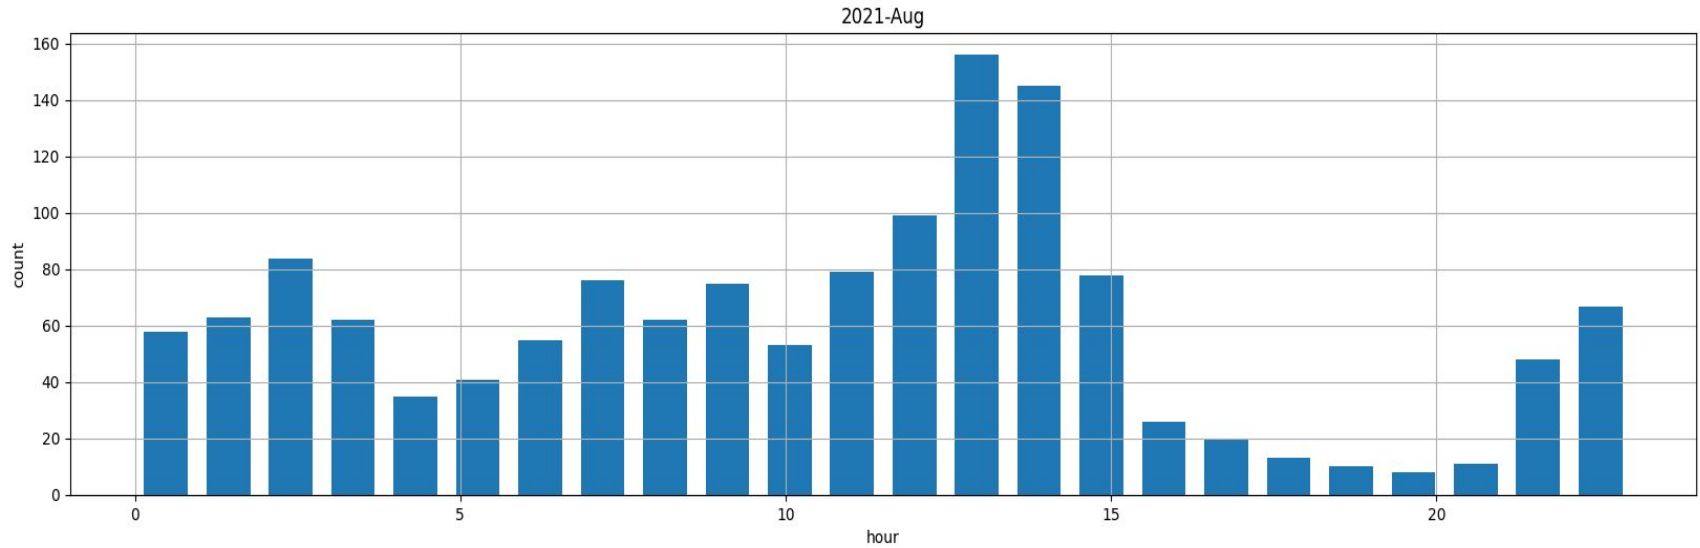

Part 2 Some interesting statistics

-----Voice_Of_Biafrans as example

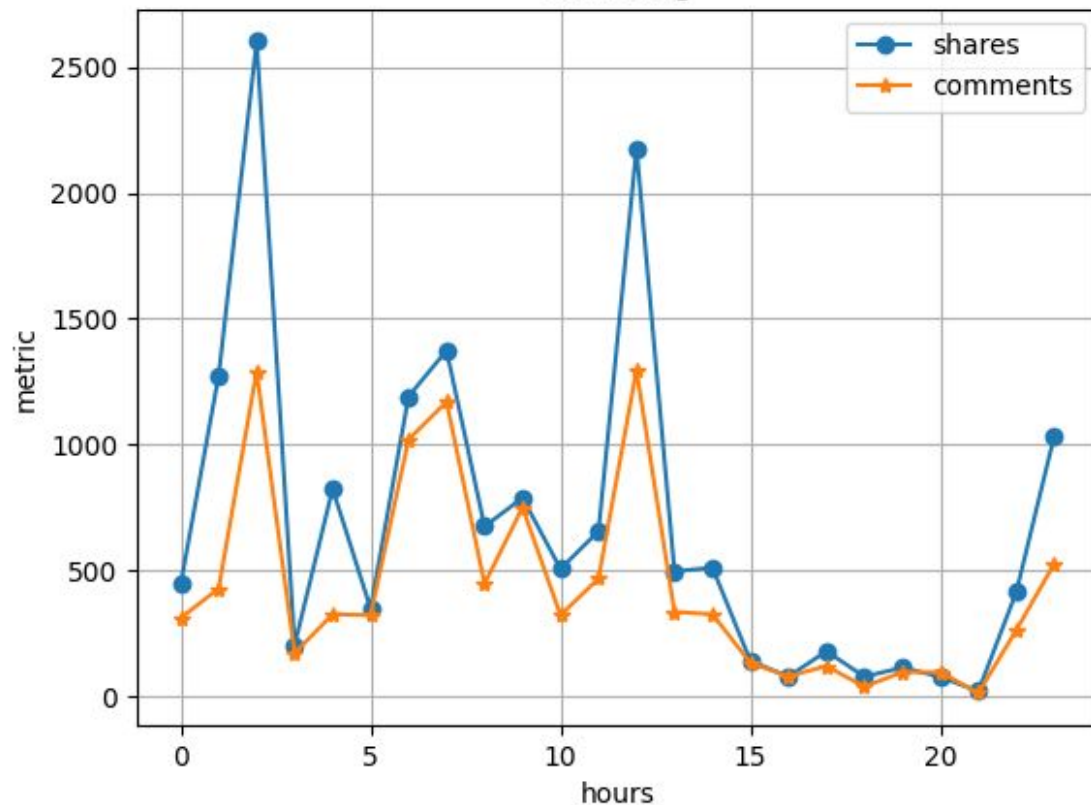

- Which month might be the hottest month for posts counts?
Using the histogram chart, it is clearly to see August 2021 is the one
- Future topic
It might refers to dig more on what happened on that month or why it is most posts number,could be some reasons behind this.

- Based on the CSV file and figure 1, we would like to know when is the hottest time for the most posts?
Using the histogram chart, it is clearly to see during 13-14, the posts are hot
- Future steps
It might be useful if some social media like Voice of Biafrans post similar topics want to attract more attentions.

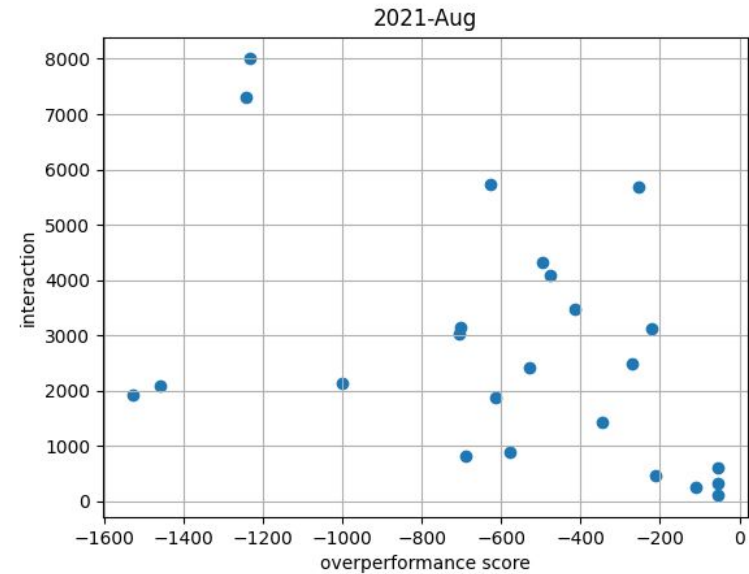

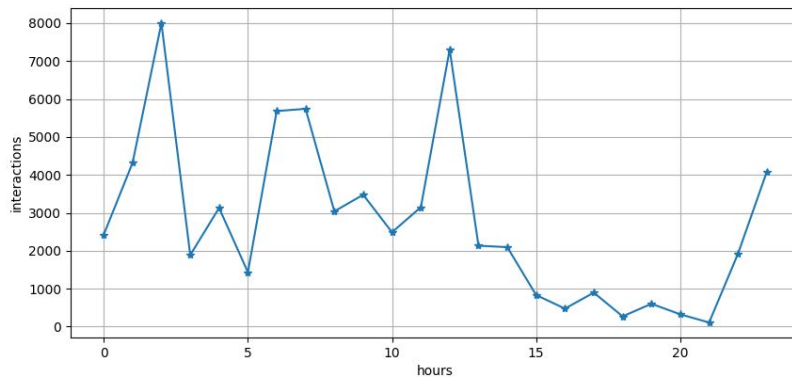

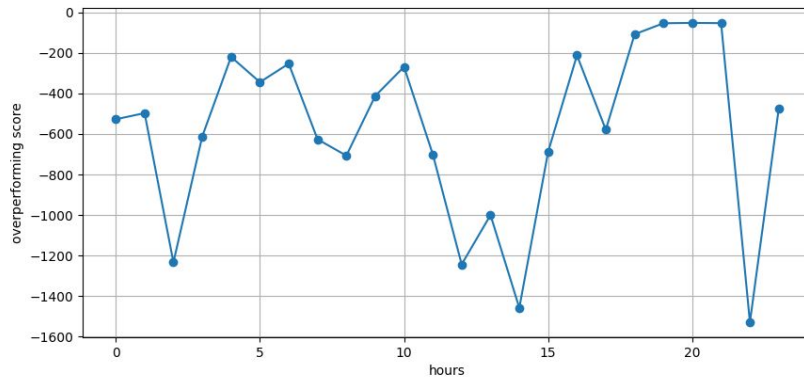

2021-Aug

- Based on the CSV file and figure 1 and 2, we would like to know if there is any scams for the hot .

By checking on comments and shares, we can clearly see that the more comments , the more shares. So it means the attention is true.

- Based on the CSV file and figure 3, we would like to know if there is any relationship between overperforming score and interactions

From the left two figures, it is roughly to see that two labels are negatively correlated, but need more statistical tests are needed as the above figure shows some outliers in interaction.

- Future steps
Data cleaned for these labels.
